

REMARKS

This Rule 312 Amendment is being to amend the Specification to identify the Cross-References To Related Applications. Support for this amendment may be found in the priority data of the parent patent and the priority data for this application. The priority and the data shown on the face of the parent patent and in the priority data for this application are correct; however, an error was made in the text of the specification. As shown in the issued patent and the pending application, the proper number for the provisional application is 60/107,707 and not 60/107,704.

If it is determined that a telephone conference would expedite the prosecution of this application, the Examiner is invited to telephone the undersigned at the number given below.

In the event the U.S. Patent and Trademark Office determines that an extension is required, Applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 50-1848 referencing Docket No. 023134.0128D1US.

Applicants believe no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 50-1848, under Order No. 023134.0128D1US from which the undersigned is authorized to draw.

Respectfully submitted,
PATTON BOGGS LLP
